
[e.d.g.e.] Winter Retreat Information

Dates: December 27-29, 2018

Where: Cataloochee Ski Area (Maggie Valley, NC)

Cost: \$120 (Due 12/19)

FAQs

What is the purpose of this trip?

This will be a unique blend of a weekend retreat and a ski trip. I want to emphasize that this trip has a spiritual emphasis. There will be three teaching/worship sessions. This will be an excellent opportunity for our students to build community and be challenged in their faith.

What if my teenager does not know how to ski?

Part of our package includes a FREE ski lesson on Thursday morning. This will be mandatory for everyone who has never skied.

What should my teenager wear to ski?

This is what is recommended: the bottom layer should be light and should absorb moisture (polypropylene, longjohns, tights, etc.), the next layer can be a tshirt or long-sleeved shirt with a sweatshirt or fleece pullover covering it. A windbreaker jacket is recommended. As for pants, long pants (not jeans if possible) are recommended. Your student should bring sunglasses to protect their eyes from the sun's reflection on the snow. Only wear one pair of socks. Waterproof gloves are also recommended. The most important item is a wool hat of some sort. [A packing list is included below.] If you rent a ski bib (pants) and a ski jacket then you can wear a light layer under that.

******We will be able to rent ski bibs (pants) and a ski jacket at the ski area for \$18. I recommend this! If you have questions on what to pack then please contact Michael at 706-996-0357.***

Who will be leading the sessions?

Greg Judd from South Padre Island, Texas will be the speaker this year.

Is skiing the only option?

No. This year those students who do not want to ski will be taking a day trip to Asheville, NC. We are also planning on taking students snow tubing!

Where will the group be staying?

We will be staying at the Lake Junaluska Conference and Retreat Center in Lake Junaluska, NC. This retreat center is located about 10 miles from Cataloochee Ski Area. More information can be found by visiting: <http://www.lakejunaluska.com/>.
